## Snacks

Students will have the option to have a healthy snack every afternoon, as long as they bring their own healthy snack. Great ideas for snack include string cheese, fruits, fruit snacks, crackers, pretzels, chex mix, cereal, carrots, celery, granola bars, etc. Please avoid sending candy, chips, cookies. This will be a short 5 minute working break.

**Note:** Snacks are also available upon request to purchase from the school food service program.

## Classroom Celebrations

In order to protect our students with allergies and food intolerances, treats brought for celebrations must be commercially prepared food with an intact ingredient label or fresh, uncut fruit and vegetables. Items not meeting these requirements will not be used and will be returned home. No homemade treats will be accepted.

**Because of time constraints, I will not be able to cut, peel, or otherwise prepare the treats.** Pre-packaged, individually wrapped treats are best.

I will also provide reading fluency stories for your child to work on to improve his/her reading fluency and comprehension. This is practice only, and should not be returned. Please do not put notes, lunch money, book orders, etc. in homework folders.

# About

← Mrs. Olson →

Welcome to 2E! I am so excited for this year to begin. This will be my 33rd year teaching in the Solon Community School District. I graduated from the University of Iowa in 1984 with my Bachelor of Science degree in Elementary Education and Early Childhood, and earned my Master's Degree in Quality Teaching Strategies from Graceland University in 2005. My husband and I will be celebrating our 26th anniversary this year. We have three adult children and one adorable grandson (and another due this fall) that I enjoy spending time with. I am passionate about children and teaching and want to make this the best year yet for your child. Watch out Second Grade... here we come!
