Mar. 9 - 16 - No School - Spring Break

Fri., Mar. 30 - 1:32 Dismissal (Good Friday)

Thurs. Apr. 5 - 2nd Grade Music Concert @ 6:30 at the Solon Center for the Arts

Our Week of Learning

Reading - This week we read many Dr. Seuss books since it was Dr. Seuss's birthday today. We enjoyed reading his rhymes with silly words and funny characters. We also learned a lot about him as we researched him on Pebble Go.

Word Study - This week we focused on contractions. We practiced making contractions such as he'll (he will), wouldn't (would not), I've (I have) etc. Next week our focus will be on regular plurals (s, es, ies)

Math - We have spent the last week working on the concepts and skills of measurement. They have been using customary units of measure, such as inches and feet. They have also been working on their estimation skills. Have your child estimate how long your couch (or table or hallway) is and then have him/her measure it. We've even used our addition skills to find out how many inches something is if we know how many feet. (The bike is 6 feet long, each foot is 12 inches. To find the number of inches we add $12+12+12+12+12+12=$ ____) The children will be taking their Chapter 8 assessment on measurement next week.

Writing - We are nearing the end of our opinion writing unit. This week they worked more on opinion letters (adding details and examples) about books in our classroom. They also wrote a letter to you stating their opinion about how they think they are doing in school. In each of these letters they made sure to have an introduction, some reasons, and an ending. They will share this writing with you at conferences.

Conferences

Thank you to everyone for getting signed up for our spring conferences.

Conferences: Next week, I will be meeting with you and your child for our final conference of the year. These will happen on either Wednesday, March 7, or Thursday, March 8. Your child's report card will be coming home on Monday, March 5. Remember, this is a student-involved conference. Your child needs to attend as s/he as a part in this conference.

Specials

Mon. Day 4 PE

Tues. Day 5 Art

Wed. Day 6 Music/SS

Thurs. Day 1 PE

Fri. No School
