We had so much fun with our Dr. Seuss dress up days this week! Thanks for helping out with this!

Our Week of Learning

Reading - This week we celebrated the birthday of Theodor Geisel, aka Dr. Seuss! We read as many Dr. Seuss books as we could. We learned many facts about this great author/illustrator. T

Word Study- Our focus this week was on ending sounds -le, -al, -el. You will find this sound in words such as table, label, and global.

Math - We finished our chapter on the US Customary System of Measurement. We reviewed how to measure in different units, how to estimate, and how to decide on the best tools for measuring. Then we took our Chapter 8 test. The students really enjoyed this chapter!

Writing - This week we finished up some of our opinion writing. We also did some fun Dr. Seuss writing such as "If the Cat in the Hat came to my house..." They had some creative ideas! They also thought about places where they might go.

Science - After spring break we will begin our final Science kit for the year. It will be called Pebbles, Sand, and Silt.

Special Note

Parent/Teacher Conferences

Thank you for signing up for our Parent/Teacher/Student conference. If you have not done so, please contact Becky Lighty in the office to assist you in this.

These are student involved conferences so please bring your 2nd grader along to the conference. They look forward to sharing a few things with you. Report cards will come home on Monday, March 6 in your child's backpack so please be looking for them. See you next week!
